**RESPONSE TO RESTRICTION REQUIREMENT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In response to the Office Action mailed November 15, 2007, Applicants provisionally elect Species C — as depicted in Fig. 3 — for prosecution in this application. Applicants reserve the right to file divisional applications to protect all other Species. Applicants provisionally elect Species C with the understanding that the claims shall be restricted to this species only if no claim that is generic to Species A-F is finally held to be allowable. Examiner indicated that at least claim 1 is currently generic. Applicants submit that claims 1-27 are readable on Species C.

A two-month extension fee in the amount of \$460 believed due for this response. Please charge this fee, and any additional fee(s) that may be due, to Jones Day Acct. No. 503013.

Respectfully submitted,

Date: January 23, 2008
